2. Adoption of New and Revised Accounting Standards

New standards and interpretations not yet adopted

There are no new standards or interpretations applicable that would have a material impact for the Fund.

3. Basis of preparation

These interim financial statements have been prepared in accordance with AASB 134 “*Interim Financial Reporting*” and the Corporations Act 2001. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 “*Interim Financial Reporting*”.

These half-year financial statements do not include all the notes of the type normally included in annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Fund as the full year financial statements. Accordingly, these half-year financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2024 and any public announcements made by the Fund during the half-year reporting period and up to the date of these financial statements in accordance with the continuous disclosure requirements of the Corporations Act 2001.

These interim financial statements are presented in Australian dollars.

a) Significant accounting policies

The accounting policies applied in these interim financial statements are the same as those applied to the Fund’s financial statements for the year ended 30 June 2024.

b) Going concern basis

The financial report has been prepared on a going concern basis.

4. Investments in Financial Instruments

a) Financial assets at fair value through profit or loss

	31 December 2024	30 June 2024
	\$	\$
Designated at fair value through profit or loss		
Investments in listed equities	14,370,313	13,710,106
Total financial assets at fair value through profit or loss	14,370,313	13,710,106

b) Fair value hierarchy

The Fund measures and recognises financial assets and liabilities held at fair value through profit or loss on a recurring basis. The Fund has no assets and liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

4. Investments in Financial Instruments (continued)

b) Fair value hierarchy (continued)

Level 1:

Financial instruments are valued by reference to quoted prices in an active market(s) for identical assets or liabilities. These quoted prices represent actual and regularly occurring market transactions on an arm's length basis.

Level 2:

Financial instruments are valued using inputs other than quoted prices covered in Level 1. These other inputs include quoted prices that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices). The inputs included in this level encompass quoted prices in active markets for similar assets or liabilities, quoted prices in markets in which there are few transactions for identical or similar assets or liabilities. Financial instruments that are valued using other inputs that are not quoted prices but are observable for the assets or liabilities also fall into this categorisation.

Level 3:

Financial instruments that have been valued, in whole or in part, by using valuation techniques or models that are based on unobservable inputs that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Unobservable valuation inputs are determined based on the best information available, which might include the entity's own data, reflecting its assumptions as well as best practices carried out or undertaken by other market participants. These valuation techniques are used to the extent that observable inputs are not available.

The following table shows an analysis of financial instruments held at 31 December 2024 and 30 June 2024 recorded at fair value and presented by level of the fair value hierarchy:

	31 December 2024			
	Level 1	Level 2	Level 3	Total

INDEPENDENT REVIEW REPORT TO THE UNITHOLDERS OF ATLAS AUSTRALIAN EQUITY INCOME FUND

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Atlas Australian Equity Income Fund ("the Fund"), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in net assets attributable to unitholders and statement of cash flows for the half-year ended on that date, notes comprising a summary of material accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Atlas Australian Equity Income Fund does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Fund's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the review of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the Directors for the Financial Report

The directors of the One Managed Investment Funds Limited ("the Responsible Entity") are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT REVIEW REPORT TO THE UNITHOLDERS OF ATLAS AUSTRALIAN EQUITY INCOME FUND

Auditor's Responsibilities for the review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the financial position of the Fund as at 31 December 2024 and of its financial performance and its cash flows for the half-year ended on that date, in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year ended financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
